

31<sup>st</sup> October 2017

Dear Parents,

This is to bring to your kind notice that the **Back Gate access** to the school will be closed at all the times due to the construction work and keeping in mind the safety and security of the students. Only Gates 1 & 2 will be used for Entry and Dispersal as per the earlier schedules.

All Parents are requested to kindly co-operate in this matter.

Thanking you,

Manager
