

DOMINIC SAVIO KINDERGARTEN, NERUL

CCA – Paper Folding Competition

Date: 3rd November, 2017

Dear Parents,

Origami is a wonderful tool to teach spatial skills, understanding of space and the relationship between shapes. Origami aids in bi-lateral development of the brain. Dominic Savio Kindergarten, Nerul is organizing a **CCA – Paper Folding (Origami) Competition on Thursday, 30th November 2017 during the school hours.**

- **Teacher's In charge –**
 - 1.Tr.Mahek
 2. Tr.Priya
 3. Tr. Raksha

- **Topic**

Preparatory	Pre - Preparatory
1. Dog	1. House
2. Frog	2. Boat
3. Fish	3. Flower
4. Bird	

- **Rules & Regulation –**

1. Worksheet will be provided by the school.
2. Children have to make **any one** from the above given topic.
3. **Preparatory** Children have to make a background on the worksheet before sticking his/her creation. Children can draw and color the background. Scissors & decorative materials are **not** allowed.
4. **Pre – Preparatory** children will not make any background.
5. List of things to be carried by a child – glue stick, pencil box, crayons, and colorful paper for paper folding.

Thanking you,
(Pre – Primary Supervisor)
