NOTICE
RESULTS OF CCA COLLAGE COMPETITION

Dear Parents,

“Competition is very good... as long as it’s healthy. It’s what one needs to strive to be better.” – Christine Lahti.

Every competition is an opportunity for self-empowerment, no matter whether your child wins or loses, but participation matters a lot. Competition is not just about winning; it's about having fun and learning important skills. When children face competitive activities, they not only gain individual skills, like resilience and motivation, but they also build on important interpersonal skills.

So never ever miss an opportunity for self-improvement....good luck!

We are pleased to inform the winners of Collage competition which was held on Tuesday, 20th Aug, 2019. Kindly find attached list of Winners of **Collage competition**.
