RESULTS OF CCA ENGLISH RECITATION

Dear Parents,

Winning is not important as participating. Winning is not everything but there is a requirement of something to measure one's performance. Every competition is an opportunity for self-empowerment, no matter whether your child wins or loses, but participation matters a lot. When you decide to participate in a competition, you are getting an opportunity to meet and interact with new people, learning new things and developing new skills. It's a chance given for self-challenge.

So never ever miss an opportunity for self-improvement....good luck!

We are pleased to inform the winners of English Recitation competition which was held on Tuesday, 23rd July, 2019. Kindly find attached list of Winners of English Recitation competition.

Thank you,
