**CCA - FUN WITH COLORS COMPETITION**

Dear Parents,

Coloring activity helps children to develop cognitively, psychologically and creatively. The act of coloring can help to improve motor skills in young children. The actions, motions and precise grip involved in coloring can aid in the development of fingers, hands and wrist muscles.

Keeping this in mind Dominic Savio Kindergarten, Nerul is organizing a CCA – Fun with Colors on **Tuesday, 18<sup>th</sup> June 2019** during the school hours.
