Donate for a Cause – COVID -19 - DON BOSCO REACHING OUT

UPDATE: 22nd April 2020

Over the past year Don Bosco Nerul, has been organising several Health Camps for Optics, Dental and General Health care in association with 'Rotary Club Smart City'. The other Camps were held for making of Pan and Aadhar cards, assist in Opening Postal Savings accounts, applications for PM Yogna schemes and other benefit schemes in association with YUVA. These have been very beneficial for the village and slum community of Belapur as several have benefited, received Pan, Aadhar cards and opened postal savings accounts to obtain govt. benefit schemes, etc...

There are several families of those that regularly attended these Camps including the families of our Oratory children who were gathering every evening for Recreation and Study classes. These families have been facing many hardships to procure the basic necessities.

Don Bosco Nerul gave 110 families food packets to last them for a week. The demand has increased in this area and we will need to go again to assist and cover those families that we were not able to reach out in these last few door to door visits.

Thank you for your support and prayers as the need and demand increases.

Stay safe, stay Blessed!
