Donate for a Cause – COVID -19 - DON BOSCO REACHING OUT

UPDATE: 23rd April 2020

Don Bosco Nerul has been over the years as mentioned earlier, conducting short term skill training courses for underprivileged ladies from the neighbouring villages and slums.

Many of them have managed to support their family earnings with some supplementary income as a consequence of the training undergone and use of it in small establishments, starting their own enterprises from home or picking up employment or advanced training in that skill.

These ladies' families have been facing a lot of difficulties to sustain their families during this lockdown period. After having completed assisting the present students batches, Don Bosco Nerul heeded to the request of those ex-students families of the past few years to sustain their homes with food grains and condiments for the next week.

It is due to your continued prayers and support that we are able to carry on assisting as many needy families as possible.

Stay safe, stay Blessed!

Rev. Dr. Barnabe Dsouza, sdb
