Donate for a Cause – COVID -19 - DON BOSCO REACHING OUT

UPDATE: 24th April 2020

Agroligav in Belapur has several hostels for skill training students, they have a rent to pay, cook their own food as well as other bills. Besides these the migrant labourers, casual workers : Masons, Plumbers, Delivery boys, Scrap Collectors, Garland, Samosa, Bhel, Pani puri, etc vendors, who live on daily wages have a roof over their head but no means to obtain provisions for them or their families.

Some volunteers from Belpaur, Agroligav started getting requests from the hostels and other casual and daily wage earners in their neighbourhood to provide them with a meal or more. These volunteers requested Don Bosco Nerul to assist their efforts in reaching out to these individuals in hostels or those families in need. Don Bosco Nerul provided them with sizeable food packets that would last them for nearly 2 weeks.

We look forward to your continued Prayers and Support.

Stay safe, stay Blessed!
