Donate for a Cause – COVID -19 - DON BOSCO REACHING OUT

UPDATE: 27th April 2020

There are some thousands of people in Karavegaon, most of them largely belonging to the lower income group. An estimated 30+% are daily wage earners ranging from house maids, to drivers, sweepers-garbage collectors, casual labourers, etc. All our children of the Oratory of the neighbourhood come from this village and slums as well as a large number of the ladies doing skill training at our Don Bosco Development services come from this habitat.

Our Oratory staff volunteers have been for the past month going daily door to door, assessing the needy families, handing over food grain coupons and assisting them at the grocery stores to get enough of food grains and other essentials for a week.

We have now begun doing a second round of these needy families, as they have run out of supplies and means to feed themselves with the extended lockdown period.

Thank you for your continued Prayers and Support!

Stay safe, stay Blessed!

Rev. Dr. Barnabe Dsouza, sdb
