

# DON BOSCO SENIOR SECONDARY SCHOOL

Sector 42A, Nerul, Navi Mumbai

28<sup>th</sup> March 2020

Dear Staff, Parents & Students,

As we come to the end of the scholastic year 2019-20, it is fitting to raise our hearts to the Lord our God, to thank Him for watching over us, guiding us and protecting us. With the blessings of the Almighty we have been able to achieve many goals.

The innovative classroom teaching methods, cultural activities, value education programmes, sports and co-curricular activities hand-n-hand with academics, have helped our students to progress. The various awards of public recognition to the students for excellence in sports and academics, the outstanding results of the students who appeared for board examinations show that we have been rewarded for our hard work.

The school academic results have been declared which is equally laudable. I am glad to state that all our students from Playgroup to Class XI have cleared the examinations.

I would like to thank the Management for their support and cooperation to implement the new changes in the year 2020-21. After the affiliation inspection it was suggested that the Primary School to be from Class I to Class V on the first floor and Secondary Section from Class VI to Class X on the second floor and Senior Secondary Section on the third floor thus segregating the various sections. It has been decided to start Class XI-Arts section in this scholastic year.

I extend my gratitude to all our P.T.A. representatives and parents who have constantly been supportive. The uncertainties of Corona Virus have kept us indoors. Most of you are working at home and from home. Many of you may be struggling to navigate this new way of isolated social life. You need to interact constructively with your children and keep them engaged with activities. You will need to support and take care of the family, so stay healthy and stay safe.

I would also like to appreciate the hard work that our dedicated staff have put in throughout the year and especially during the last month where they have worked from home to put things in perspective. We await Government orders as to when to reopen schools. You will be notified through the website after 15<sup>th</sup> April about upcoming events.

I remain, affectionately in Don Bosco.

God Bless,

Fr. Donald Fernandez  
Principal
