COVID -19 - DON BOSCO NERUL REACHING OUT

UPDATE: 23rd May 2020

The crowds walking on the streets has reduced drastically, especially those moving to Bihar, Uttar Pradesh, Madhya Pradesh, Orissa, West Bengal, etc... The Shramik trains and State transport buses have helped to ease of this route of travel.

There are a few families who have slipped from the lower income group to the below poverty line. They have been semi-skilled that worked in allied industry jobs. Their savings dried up during the second lockdown and so did their other means of survival, these are the ones on their last few rupees, trying to take short rides in rickshaws, delivery tempos, etc... taking short walks, taking a nap in the shade when on a break from their journey or waiting for various small vehicles to take them up Maharashtra. They are on their way to Kolhapur, Satara, Latur, Gulbarga, etc.

Don Bosco Nerul has been scouting these routes giving them a nutritious packet, water and masks for their safety.

Thank you for your continued prayers and support.

Stay safe, stay Blessed!
