### COVID -19 - DON BOSCO NERUL REACHING OUT

#### UPDATE: 18<sup>th</sup> May 2020

In all the relief to those in various conditions, in slums, shanties, hostels etc. In different situations as casual labourers, daily wage earners, etc. most that live in marginalised situations have had opportunities to be reached out to; But there are those that need help but do not manage to get in those queues that aid them in need. There have been several concerned citizens calling us from different parts of Mumbai, Navi Mumbai and now more and more from places like Jharkhand, Uttarakhand and Bihar to assist individuals who have called them in distress and dire need. In turn they refer to those NGOs that are accessible, like us at Don Bosco Nerul, requesting, **"Can you please help this group of painters in Vashi?, they have not eaten for the past 3 days"** or **"There are a group of 11 whose work has stopped on the metro, they are desperately wanting to return to Jharkhand, can you please assist them to reach home?"** or, **"Fr. there are these two families of 18 with 12 children need your immediate help, please give them some ration"**

There are several such calls we keep getting daily, Don Bosco Nerul has always reached out, be it any time of the day or late evening, with large enough ration packets to last them for weeks.

Thank you for your continued Prayers and Support!

Stay safe, stay Blessed!
