COVID -19 - DON BOSCO REACHING OUT

UPDATE: 27th May 2020

It is difficult to say who among those suffering or facing multiple challenges are the neediest. While one may look at the plight of those walking on foot for 500 to 1,000 kms to get home with little food or water in the scorching heat as the ones need the most attention; yet hunger and no means to get food to feed themselves and their children is another kind of needy group that one cannot put in another category. All are facing the same pangs of hunger and suffering, though some of the conditions are more excruciating and sad to say the least.

One such group that has been ignored or skipped over has been the commercial sex workers (CSWs). There are a big group of these living in rented rooms in Turbhe, Navi Mumbai. They have got little or no help largely due to the stigma attached to their profession and the area where they belong. Added to this, when any aid comes their way, there has been a big scampering by most of them to get as much and stock up, as they may not get another donor their way.

Don Bosco Nerul, in collaboration with Rotary Club Mid town and Alert India an organisation that works for the CSWs organised 400 complete food essential kits for them. The distribution is being organised with having their signatures taken of those that have aadhar cards, if not they have been pre-registered, come to Alert India office in single file and only those that have registered are let in to sign and pick up their kits that would last them for 3weeks+.

Thank you for your continued Prayers and Support.

Stay safe, stay Blessed!

Rev. Dr. Barnabe Dsouza, sdb
(For Don Bosco Nerul Management)
