## Donate for a Cause – COVID -19 - DON BOSCO REACHING OUT

### UPDATE: 1<sup>st</sup> May 2020

We have learnt over this past month to organise our system of identification of needy families, check on recommendations of concerned citizens, staff or friends/volunteers, We then go on field to do a research and survey of the situation of the people in need, check if they are already receiving adequate help? Whether there are agencies or private individuals giving, what type of help? Is it one time cooked meals for lunch? We do check if they receive any food for the evening? How many children are in their care? The type of occupations they have had, living conditions, sustainability of the help received for what period, etc... We have often tied up with other organisations, including govt. agencies helping in their feeding programme.

On 28th April we were invited by Malson's Hospital trust, Koparkhairane to do our study to see if we could assist those living under the water pipeline of Mahape - Shilphata, Slums on the road opposite the MIDC 590 area, Slums in Rathod Koparkhairane area, etc. Our survey saw the need of these who do not get beyond the afternoon cooked meal. We will be assisting them with food grains for their evening meals in a couple of days, once our grocer can make the packets for individual families.

Don Bosco Nerul gave 40 Personal Protective Equipment kits (PPE), 2,000 food containers and 1 box of 800 Amar tea powder packets of 25 gms each to the local NMMC Ward office for their feeding programme in their relief camps for migrants in Navi Mumbai.

Thank you for your continued support and prayers!

Stay safe, stay Blessed!

Rev. Dr. Barnabe Dsouza, sdb  
(For Don Bosco Nerul Management)
