Donate for a Cause – COVID -19 - DON BOSCO REACHING OUT

UPDATE: 2nd May 2020

In collaboration with Malsons Trust Hospital, Koparkhairane, the survey we had done two days ago of construction workers, casual labourers, housemaids, those living in Koparkhairane, Mahape near the water pipe line, Shilphata road, etc. Made us commit to these very needy families. Our grocer had large packets ready of Rice, wheat flour, dal, oil, tea powder and spices enough to last for the next ten days for each family. We managed to distribute to 100 families today, we will be going back tomorrow to these areas to continue to distribute the same to 100+ families.

Seeing the need and situation of the people our resolve to reach out to these who do not have any means of earning a survival income in these times is more strengthened due to your strong support and prayers.

Thank You for Caring!

Stay safe, stay Blessed!
