#### UPDATE: 10<sup>th</sup> May 2020

A large section of the poverty and needy groups of Navi Mumbai are based in Turbhe, most of them are from the casual labour, construction and daily wage category, housemaids, etc. The plight of the Commercial Sex workers in this area is for survival in times of lack of any income. They are surviving on any one giving them one cooked meal in the day. There has been more challenges for them than the other groups as, they are often bypassed where aid is concerned, very little aid seems to be reaching their area due their locations or being socially isolated.

Don Bosco Nerul reached out with food grains and essentials to this group and those needy daily wage earners in Turbhe.

Thank you for your continued Prayers and Support!

Stay safe, stay Blessed!
