#### UPDATE: 12<sup>th</sup> May 2020

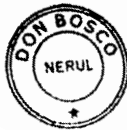

Belapur Agroligav has plenty of daily wage earners, mostly living in buildings. Their better living conditions compared to the slums beguiles their present condition, being auto rickshaw drivers, vegetable vendors, students in hostels, street food vendors, cobblers, roadside ironing persons, garland makers, drivers, casual labourers, construction workers, etc. In fact we have gone a second round to them as their stocks have got over. They have not received any other help as they live in better surroundings than the slums and so the aid agencies have tended to overlook this area.

Don Bosco Nerul once again reached out to them with dry ration of food grains, etc. and extended to some more needy in that area of Belapur Agroligav.

Thank you for your continued Prayers and Support.

Stay safe, stay Blessed!
