COVID -19 - DON BOSCO NERUL REACHING OUT

UPDATE: 25th May 2020

The crowd of home bound migrants is now at the government bus stands and the outbound railway stations. In Navi Mumbai: - Thane and Panvel railway stations are a busy hub during the day and especially by night with 'Shramik trains' leaving for Uttar Pradesh, Madhya Pradesh, Bihar, Orissa, West Bengal, Jharkhand, etc.

Don Bosco Nerul has been continuing to give a food packet for the buses loaded with 140 migrant passengers each trip that depart to the train station from our local NRI police station. As mentioned yesterday, this was often the only food they had for their whole journey.

The other day, we got a call to help with food grains and spices, from the Deputy Commissioner of the Municipal Corporation (NMMC), He said these migrants need a cooked meal before they leave on their train journey, hence the NMMC was wanting to distribute cooked food for 3,000 migrant travellers leaving that day on the trains arriving from different police stations.

Don Bosco Nerul gave the food grains and spice masalas to prepare a cooked meal that was distributed on the platform to each of the 3,000 migrants. It was the only cooked meal they had for the rest of their journey that would have lasted 2-3days.

Thank you for helping us reach out to these migrants so in need, on their journeys back home.

Happy Feast of Mary Help of Christians!

Stay safe, stay Blessed!
