## COVID -19 - DON BOSCO NERUL REACHING OUT

**UPDATE: 26<sup>th</sup> May 2020**

There were 3 trains that left today for West Bengal, Bihar and Orissa the late night train to Uttar Pradesh was cancelled causing great distress to those that annulled their rent agreements and sold some possessions. They have to search for alternate accommodation in the city, until they are called back when a train is made available for Uttar Pradesh.

The Police officials call us and a few others to feed these travelling migrants. One party called "the Warriors" sometimes when convenient give a cooked meal of dal khichdi and a banana for those waiting since morning to get on the bus that takes them to the railway station.

The Don Bosco Nerul staff have been going to distribute a nutritious packet of food for the journey and a bottle of water. As mentioned earlier, the trains do not have any passengers to pick up and so do not halt at traditional junctions' enroute, but only at stations for technical stops, such as guard or engine driver change, etc. The platforms they stop at, are deserted as there are no stalls open, there is no canteen car on the train, hence there is no food or beverages available on the journey, the food pack is often the only food most migrants have to pull through their long journey home.

Thank you for your continued Prayers and Support!

Stay safe, stay Blessed!
