

[www.chess.com](http://www.chess.com) the best platform to learn chess tactics and ideas, to expand your chess knowledge. Even better, you can get connected with this anytime and anywhere through your network device. (I.e. smart phones, tablet, laptop, desktop etc. available in all systems Android / ios / Windows) **especially when its Lockdown time**. Here is a small step to utilize your time in interesting and creative manner.

Now a days chess.com is frequently used by professional chess players as well as hobby players, because it allow to play chess at competitive level from their home.

Here is the video showing complete setup to plant an **online chess tournament** through chess.com.

<https://youtu.be/aTVXOZ3BKYQ> < ---- open the link

Easy steps:

- I have created chess club on chess.com by name **Don Bosco SSS Nerul chess kids** and will handle this club as an admin.
- Our school kids must create their account on [www.chess.com](http://www.chess.com) (Link showing how to register or create account on chess.com <https://youtu.be/eu1Wt-UunVQ> < ---- open the link) after they shall join **Don Bosco SSS, Nerul chess kids** chess club.  
(<https://www.chess.com/club/don-bosco-sss-nerul-chess-kids> <--- open the link to join club )
- I will create whatsapp group of all club members to report them Tournament Link, date, time and rest of the tournament information. You will required My whatsapp no. 8767780758 \_ Swapnil Thik – Chess Coach at Don Bosco Senior Secondary School, Nerul, Navi Mumbai.
