**NOTICE**  
**CCA – FUN WITH COLOURS**

Dear Parents,

With developments in technology, we feel that activities in colouring have taken a bit of a back seat in children's learning. Colouring pictures and drawings may seem like a simple task but there are so many learning benefits for children. It provides an opportunity to practice and develop many skills such as concentration, fine motor and coordination for early writing skills and correct finger grip. It also gives the experience of creativity, colour awareness and developing a sense of achievement.

Keeping this in mind Dominic Savio Kindergarten, Nerul is organizing online **CCA – Fun with Colours competition on Thursday, 29<sup>th</sup> October 2020.**
